MANUFACTURER'S AUTHORIZATION LETTER

We, Lepu Medical Technology (Beijing) Co., Ltd., an official manufacturer of medical devices having our registered office at No. 37 Chaoqian Road, Changping District, Beijing, China, do hereby authorize "NORD" LLC (TIN: 09433452, Address: 12 M. Harutyunyan str., apt. 63, Kapan, Syunik, Republic of Armenia) to submit a bid, negotiate and sign the contract concluded as a result of the procurement procedures for the supply of the following goods manufactured by us:

Product Name: Drug-Eluting Coronary Stent System (GuReater / Partner)

We hereby certify and guarantee that the offered product complies with all technical specifications requested for the tender:

- 1. Material: Cobalt-chromium (CoCr) hemocompatible alloy; Stent strut thickness: not exceeding 85 µm.**
- 2. Catheter Working Length: not less than 144 cm.**
- 3. Applied Polymer: Hemocompatible polymer.**
- 4. Drug formulation: Limus family drug (Sirolimus) with high lipophilicity. 100% drug and polymer elution is achieved within a maximum of 4 months.**
- 5. Size Range: Diameter within 2-4 mm, Length within 9-38 mm (supplied according to the customer's requirement).**
- 6. Quality Certification: CE MARK or FDA quality certificate is mandatory and guaranteed for any supplied batch.**
- 7. Condition: Brand new, unused, in factory sterile packaging. Includes the factory manual containing technical indicators, features, and instructions for use.**

Furthermore, in compliance with Article 2 of the RA Law HO-325-N "On Medical Care and Services to the Population", we guarantee and undertake the following:

- To provide the Certificate of Origin for the products during the contract performance stage.**

- At the time of delivery, the goods shall have at least 75% of their total shelf life remaining.
- The Customer reserves the right to return or exchange the product size for another size, provided that at least 50% of the product's total shelf life is remaining.

This authorization letter is valid until December 31, 2026.
