

2400

Φ28mm

1200-2400

A technical drawing of a rectangular frame structure. The structure consists of two vertical legs and a horizontal top rail. The vertical legs are labeled with a height dimension of 1200-2400. The horizontal top rail is labeled with a width dimension of 2400. A callout line points to the top rail with the text Φ28mm, indicating the material or diameter. The legs are shown in blue, and the top rail is shown in black. There are also some faint lines and dots indicating connections or joints.
